

As proud members of BOMA Greater Los Angeles, we are committed not only to representing building owners and managers across the Greater LA area but also to making a positive impact on our community. This holiday season, we invite you to join us in a special initiative, coming together as a commercial real estate community to support local charities that are making a difference in the lives of those in need by donating new, unwrapped toys.

Let's leverage the strength of our collective network to bring hope, resources, and care to those who need it most during this time of year. Your participation will help amplify our efforts and show the true spirit of giving within our industry.

From Monday, November 4th through Wednesday, December 11th, your donations of toys for children ranging in ages 1-15 years old can be placed in the holiday boxes located at (list location i.e., lobby, office of the building, parking office).

Get involved, give back, and help us make a meaningful difference this holiday season.

In collaboration with

BOMA
Greater Los Angeles
